Trophy to Champion Female and Champion Bull

At this sale, we will offer a new class to consignors. Due to the generosity of one of our most respected, long-time consignors, Harold Bacon, of Good Hope, Ill., a traveling trophy will be given to the consignor of the top pair, a bull and female of any age, which are shown at our spring sale. This trophy will be in the possession of the winning breeder for one year, when it will move on to the consignor who shows the top pair at the next spring sale.

This will be the last class of the morning show.

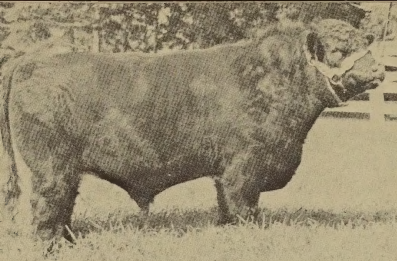

GENERAL INFORMATION

TIME: Saturday, March 20, 1971. Show at 8:30 A. M., Sale at 12:00 Noon.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U. S. 30, and U. S. 218. On paved roads between Cedar Rapids, and the airport.

LUNCH: Will be served on the grounds.

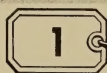

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "by-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them right before the sale.
9. Auctioneer: Merrill Anderson, Broadlands, Illinois.
10. Special Representatives: Wade Hauser, Jr., Wallaces Farmer; Bob Sherrand, St. Ansgar, Iowa; and Terry Schrage, Cedar Rapids.
11. Sale Manager: Allan A. Johnson, R. 1, Swisher, Iowa 52338. Phone: 848-6603.
12. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.
13. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.
14. A judging contest will be held in connection with the morning show, beginning at 9:00 A. M. See page 29 for details.
15. Sale Manager, or others may be reached by phone on sale day by calling the Farm-Youth Building, Hawkeye Downs Fairgrounds, 319-365-9097.

KELBURN GREAT EVENT

This massive bull's influence is shown extensively in this offering, as he is the grandsire of lots number 12, 13, 16, 33, 38, 53, 62, and 75. This in itself should be an indication of his acceptance by good cattlemen.

Fortress has excellent bone and loin, a characteristic that has followed through from Hel-Lo-Na Royal Sulton, our senior herd bull. A half brother was Reserve Champion Shorthorn Carcass Steer on the hoof at Iowa State Fair, 1970. He had dressing percent of over 67% and loin eye of 1.9% per 100 lbs. ROAN ESCORT x - He is a nice even roan bull. When we weaned our calf crop, which were all half brothers and sisters to these Escort bulls, they all came to the bunk to eat the same evening. These cattle are the quiet kind that start right on feed and do better.

FAIR ACRES ALBINO x - The Tornado-Command 50th cross has done a tremendous job in the past year. Some of the winners included Jr. Champion at the Iowa State Fair, First prize Sr. get-of-sire, and the top bull of the Four Dees Holiday sale. This bull is from the same mold. He had over a 900# yearling weight. We have used him as a clean-up bull following A-I on about 80 cows. He is semen checked, and a sure breeder.

LOUADA ROTHES PRINCE

There have probably been more good steer calves and club heifers sold in Hawkeye Downs Sales sired by this great breeding bull, than any bull represented. An indication that he might have been a bull born ahead of his time is the fact that he sired a class winner at the 1970 Iowa State Fair, in probably one of the toughest bull shows in several years. Lots 6, 31, and 43, are three more of his fine sons.

ROYALTY C. FASCINATION

A year ago, this son of the massive Clipper King of Bapton, sired several of our extreme top cattle, which were less than a year old, pointing out the confidence the breeders are placing in his ability to transmit today's desired characteristics of length and cleanness. He is the sire of lots 39 and 50, another young entry with a future.

CLIPPER'S HENRY - A good weighing son of "Clipper", this polled son will be old enough to do some heavy breeding this year. I might add that the "Clippers" are leading the way over the Shorthorns in the test station, and were on top of all breeds with weight per day of age. Something doesn't come along every day. We weren't able to get the bull weighed but he has held his own very well, and should rate above our average which hasn't been too bad.

PB MAX LEADER 24TH

He was purchased in 1969 Hawkeye Downs Sale by Torgerson Bros., Bob Johnson & Sons, and the Mallory Farms commercial operation. He has served well in all three herds. He is certainly a bull with the right turn to his top, with some thickness through the round, and a trim middle, clean front ended bull, which weighed over a ton on his third birthday. A son, lot 46, should be worth your time to inspect sale day.

ATTENTION JUNIORS!!

PATTERN'S ROMADON ROSE 2ND - Jeff Connell, Muscatine, showed this heifer to first place in her class at the 1970 Iowa State Fair. She was by Louada Pattern, a son of Denend Constellation. Another Pattern daughter was second in class to the Champion at the State Fair Junior Show. Lots 72,74,78, and 79 are half sisters, consigned by the Connells.

Wouldn't **you** like to be in the spotlight? Why couldn't you be the Junior showman who exhibits the blue-ribbon winners at the shows? Among our consignors at this sale are several young breeders who have done just this, and among the offering of heifers are several 1970 heifers which are half sisters to their winners. Also included are several 1969 heifers who were winners themselves, and now are ready to raise that Champion for you! Several of our older, top consignors, have also picked out their top show prospects to offer them to you at this sale. Look them over, you will find one to please.

JUDGING CONTEST

We would also like to announce that, for the first time, we will include a judging contest during our morning pre-sale show. This will consist of several heifer classes. There will be two age divisions, for 4-H and FFA members, fourteen and under, and those who are 15, as of January 1, 1971, and older. Prizes in each division will be:

\$25 purchase credit for first place

\$15 purchase credit for second

\$10 purchase credit for third

These prizes may be used at either the March or September, 1971 Hawkeye Downs sales.

There will also be a trophy given to the top scoring team, consisting of three members. A team may have a fourth member, then select the three best scores. There will be no age separation for team members.

ALL TEAMS MUST BE REGISTERED AND READY TO JUDGE BY 9:00 A. M.

WEST WIND PRIDE x - A heifer bred in the purple. She has proven herself this past year. She was champion Shorthorn heifer at our Sac County Fair, and stood 4th at Iowa St. Fair. She is as good as our past heifers, if not better in some characteristics. Here is a herd builder, would not be selling her if we did not have a full sister at home. She is modern in every respect. We hope to have her bred by sale day to Browndale Command 2nd. She will be pregnancy tested. A half sister last year was reserve of her class, and was top selling individual female at this sale. She is as good as her half sister.

CLIPPER KING OF BAPTON

This great bull must be considered as one of the reasons for the increasing popularity of Polled Shorthorns across the nation. The fact that a number of breeders in our area have selected this line of breeding, is a feather in their cap. He is the grandsire of Lots 39, 47, 48, 50, and 63.

KCC FAIRY FLOWER - The dam of this heifer is probably the most modern cow in the group we purchased from the Eichelbergers. She is a half sister to the 1968 Iowa State Fair Jr. Champ, and the Waterloo Grand Champion heifer. Due to limited facilities, these heifers have not been pampered, and should look better every day. This heifer would not be leaving the herd if our program could facilitate our keeping replacement heifers at this time.

The first of his offspring will be lot 69, a club heifer from the Pecharich consignment. This 100% dehornor has sired a number of the extremely popular cattle from this good herd.
